Director's Message:

State Senator Karen Mayne will honor her late husband, Senator Eddie P. Mayne, for his dedication to serving older adults in his district on Monday, May 7, 2012 at the Eddie P. Mayne Kearns Senior Center on Birthday Monday. A photograph of the late Senator Mayne will be presented by his wife, Senator Karen Mayne. Salt Lake County Council member Michael Jensen and Aging Services Director Sarah Brenna will be attending the event. Light refreshments will be served starting at 11:15am. The Harmoni-Katzz will perform at 10:45am and the presentation will begin at 11:30 am.

It was because of Senator Mayne's commitment to seniors living in his district that the Salt Lake County Council decided to rename the Kearns Senior Center to the Eddie P. Mayne Kearns Senior Center in 2008. Senator Eddie Mayne, his wife Senator Karen Mayne, and his father were all instrumental in establishing a senior center in the Kearns Community. Senator Karen Mayne said her husband "always felt he had a charge to take care of the people here and make sure their needs were met."

Don't forget that May is "Never too old to play" month. To celebrate this the Salt Lake County Active Aging Program will host the annual pool tournament on Wednesday May 9th. The tournament will be held at EO's Billiards on 4085 West and 4700 South. Check in time is 8:30am and play starts at 9:00am. Other tournaments in May include the 1st annual shuffle board tournament, held at the Taylorsville Senior Center Wednesday, May 16th at 10:00am and the 1st annual ping pong tournament, held at the Mount Olympus Senior Center Wednesday, May 30th at 1:30pm.

If you enjoy Ping Pong there is a tournament at Mount Olympus on Wednesday the 30th at 1:30pm. Creative Crafts is back on Wednesday at 10:00am. Our Country Story will be having a winter sale starting May 1st to May 4th .25 cents each item, so save those quarters. For those who are stepping into May – KEEP ON STEPPING! This program ends May 6th but keep those steps going and keep a record for yourself. May 18th we will enjoy having many visitors from the Kearns Junior High for a service project. They are having a fund raising event with a car wash and bake sale at their school, so let's all get our cars washed and donate some baked goods to help these kids out! Have a GOOD MAY!
